Palo Alto Firefighters

Members of the Palo Alto Firefighters Association conduct several pink t-shirt fundraising events during October for Breast Cancer Awareness Month. Not only do the firefighters wear their pink PAFD shirts while on-duty to show their support, but countless volunteers work off-duty to sell over 800 pink t-shirts, which raised approximately **\$12,000** for BCC.

Leslie's Bike Ride

Inspired to give back after finishing her treatment, breast cancer survivor and former BCC client, Leslie, and several friends, rode 66 miles from Fremont to Pescadero in Leslie's first annual, self-created bike ride, *The Fremont to Fog Fundraiser*. Now in its third year, the event has raised an amazing **\$6,500** for BCC.

Stanford Golf Women's Tournament

The Stanford Women's Golf Club Tournament to benefit Breast Cancer Connections started in 1995 for club members and friends to help raise funds for BCC. Each year, the Golf Planning Committee collaborates to provide players a full day of golf and a silent auction at the Stanford University Golf Course. Through this annual charity golf tournament, the Stanford Women's Golf Club has raised over **\$100,000** for BCC.

Gunn High School Volleyball Team

The Gunn High School Volleyball team's annual "Dig Pink" volleyball match is held each October during Breast Cancer Awareness Month. Custom "Dig Pink" t-shirts are designed and worn by all players and coaches for both schools. T-shirts are also sold that evening to family members, friends and supporters. Additional funds are raised through a "spike-a-thon" where supporters can pledge a certain amount per spike, dig, assist, block, or ace. For example, one parent pledges \$5 for every *kill* and \$10 for every *ace* her daughter gets that night. Over the past two years, the event has raised over **\$2,500** for BCC.
